New Brochures Now Available!

The Public Relations committee is pleased to announce that Enterprise Facilitation brochures are again available.

"We redesigned the brochures which took some time," said Theresa Rohrer,

PR committee member.

"But, it was worth the wait as we feel the new brochures do an even better job of explaining Enterprise Facilitation than the previous version."

EF representatives will begin distributing the brochures to partner organizations in coming weeks but encourage you to call Janet at 785-364-0583 to request brochures if you are in urgent need of them.
